- Business Development

\ Who We Serve

Business Owners

Running a business comes with constant operational challenges and management responsibilities. As a result, many business owners struggle to:

- \ Focus on the financial health of their business
- \ Maintain timely and accurate financial records
- \ Prepare reports for investors, lenders, and stakeholders
- \ Gain meaningful insights for informed decision-making

Freelancers & Consultants

As a freelancer or consultant, your time is often consumed by:

- \ Back-to-back client meetings
- \ Project execution and client management
- \ Business development and professional growth
- \ Limited bandwidth to build and manage an in-house accounting team

aud.it \

your dedicated
finance back office

We act as your extended accounting and finance department, allowing you to focus on growing your business while we take care of your financial processes.

What We Offer

- \ Dedicated bookkeeping and accounting support
- \ A trained, disciplined, and professional back-office team
- \ Supervision and review by qualified finance professionals
- \ Ready-to-present reports for client and stakeholder meetings
- \ Seamless support through our network of international associates
- \ Multi-country accounting and reporting assistance

Why Choose ?

Experience You Can Trust

- \ Over 8 years of experience in Accounting, Audit, and Compliance
- \ Led by Fellow Members of ICAI and ICMAI
- \ Guided and monitored by an experienced team of finance professionals
- \ Specialized country-wise teams for data entry, review, and quality assurance
- \ Robust compliance reminder system for statutory, legal, and PRO-related requirements
- \ Commitment to accuracy, confidentiality, and timely reporting
