I have used their cleaning service twice and very happy with the results. We have IKEA couches that tend to get dirty after a while due to kids with dirty feet etc. After cleaning they look like new! Very happy with the results. Very affordable prices and easy to book appointment through WhatsApp.

Good professional work. Deep clean and pressure wash of my terrace, windows. Prompt with timing and put in a lot of effort in their work. Very good service.

My wife and I are getting ready to move into our apartment in Doha. The apartment was not cleaned properly and ready for a move in. We needed to find proper cleaners within 2 days as we had furniture being delivered. We found Fresho and booked them within 24 hours to do a deep clean of the entire apartment. Wow! The team is amazing and our apartment is spotless. They cleaned places I wouldn't have even noticed or thought of. A huge thank you to the Fresho team for giving us the comfort of moving into a clean apartment. I'd highly recommend Fresho to anyone and will certainly be using them again for any deep cleaning needs.
